#### INFORMATION FOR AUTHORS

Authors are invited to submit papers on English with size from 4 to 6 pages, prepared according to IEEE Conference template. Paper submission deadline is December 1, 2025. Authors of papers with positive reviews will be notified by e-mail for final paper submission in PDF and DOC format. The submission Web page for IEEE STEE-2026 is <https://cmt3.research.microsoft.com/STEE2026>.

Accepted papers will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements. IEEE quality control of Conference Proceedings may lead to delays in posting the Proceedings in the IEEE Xplore Digital Library, or decline to post some papers that do not meet the IEEE quality criteria.

If you have any questions, please don't hesitate to contact organizing committee [stee@ieee.org.ua](mailto:stee@ieee.org.ua).

#### INFORMATION FOR PARTICIPANTS FROM UKRAINE

For participants from Ukraine, if the number of foreign authors of the papers does not exceed 50%, discounts up to 96% for online and up to 91 % for onsite participation are provided. The following criteria will be considered:

- the quality of the paper based on the results of the Conference peer review;

- IEEE Ukraine Section Membership;
- volunteering in the IEEE Ukraine Section and its subunits and events;
